The Contemplated Retirement From a Long Business Career.

D. Hechinger, nominally Hechinger & Co., are going to retire from business—in plain words are going to sell out.

Fortunately for the people this step was not contemplated until after their entire spring stock (not less than \$40,000) had been purchased and placed in their house.

It is needless to say a word about the class of goods that will be thrown on the market. It is a patent fact, not only in our midst but in the commercial world, that few merchants buy the uniformly high class of goods that Hechinger & Co. have always bought.

Our retirement sale will begin April 1st. It will take us until then to arrange our stock for the sale. Every article in the house will be sold at net cost, no more nor less.

Our readers will most assuredly take advantage of this sale. It is a rare occurrence that a stock of

CLOTHING, MEN'S FURNISHINGS, MEN'S AND BOYS' FOOTWEAR

of such high character are thrown into a forced sale.

Hechinger & Co.

UNCLE SAM AND GREATER AMERICA

A woman fell dead in the grand stand at the New Orleans Racetrack after winning \$5 on a close race—Cynlinda Dennis.

Well, in these days of "fixing" the jockeys, isn't it enough to make any one fall dead after winning \$5?

CHIEF JUSTICE FULLER of the Supreme Court of the United States is now 66 years of age. He'll die some of these days, and it would be a good idea if Sam Poon would at once "fix his class" and begin preparing his indorsements for the place.

EVERY community is cursed with obstructionists, who register a "kick" whenever a public improvement is undertaken. Their favorite method is by injunction. Some time ago the proper authorities of Covington set about the building of a courthouse in that city; and up pops one GRAY SWEETLAND and one JAMES C. DIXON with an application to Judge TAYLOR for a restraining order to prevent the city from building the much needed structure. And here is what the level headed Judge had to say to these humbug-showered muckrakers:

"The conditions existing are such that it is well known that every day's delay adds to the cost of the city in erecting this building. The approach of the general building season is putting up prices. Those seeking to delay must protect the city from any chance of loss in this way."

"The Clerk will issue a restraining order in the terms of the prayer of the petition and amend upon the execution by plaintiff of a bond, with surety, in the sum of \$50,000. The Clerk should require the sureties resident property owners of Covington who can qualify as owners of unincumbered real estate in this city double the amount of the bond in value. The bond should be so expressed as to render each surety signing it liable for the full amount of the bond."

If other Judges would do likewise, it would probably put an end to this indiscriminate injunction business. Kickers are not noted for incurring any personal risk in order to carry out their back number ideas.

VALUE OF ADVERTISING.

What a Member of the Big Wamamaker Establishment Said.

Robert C. Ogden of the Wamamaker establishments recently said in a speech before the Merchants' Association:

"The one mistake that most merchants make is that they do not take advertising seriously enough."

"Most merchants realize its importance, but still neglect its possibilities."

"The newspaper is the merchant's rostrum. It is his pulpit. It is his stump. From that he speaks to his audience."

"It is the channel through which he speaks to the people he desires to address."

"His character is the soul of his advertising, and his advertising is the soul of his business."

THAT Rumbling, Roaring, Resounding, Reverberating Noise you hear is only The Price Fighter knocking down prices. That cringing, quaking, terrifying noise you hear is our competitors getting their breath as we knock down the price of

TOBACCO SETTERS!

One year ago today Tobacco Transplanters sold in Mayville at \$60 because The Price Fighter was not in the tobacco setter business. Today The Price Fighter enters and gently trims the price down to \$42.90. Ah! the picnic is over. Surely this is enough to cause a deep and painful breach. The Price Fighter controls Mason, Bracken and Fleming counties for the latest improved tobacco setting machine—a machine that embodies all the good features of the older style machines, with none of their bad features—a machine that is guaranteed to work—a machine that is sold upon its merits. The Price Fighter has contracted for a carload of these machines for spot cash, and after trimming off all the superfluous profit finds that he can sell 'em for \$42.90 and still make his little 10 per cent profit. He bought 'em right and is in position to undersell the world. Of course competitors will have to offer you some excuse for asking old time prices. Some will offer the old worn out gag of a better machine, but beware! Poison! Listen! Call and look at the 1897 Tobacco Setter. Examine its improved features. If you like it haul out one to your farm. It is guaranteed to work, and that settles it. That laughing, jocular, shouting noise you hear is a happy, contented people celebrating The Price Fighter's entry into the Tobacco Setter business. They have long since celebrated his entrance in the Furniture and Cigar business. You can feel some of the people all of the time; you can feel all of the people some of the time; but you can't feel all the people all the time." COUNTY COURT.

Judge Newell Has Power to Alter Time of Holding County Court.

At the last meeting of the Directors of the Board of Trade Mr. W. D. Cochran was appointed to ascertain what steps were necessary to change the time for holding the County Court from the second Monday to the first Monday in each month, so as not to conflict with the County Court day at Carlisle.

The power making the change rests solely with His Honor Judge Newell.

The statutes specifically provide that the time of holding the County Court in any county may be changed by an order made by the County Judge and entered upon the records of the County Court at the last regular term held in the year next preceding the year in which the change is to be made.

It will be seen from this, however, that no change can be made until the next December term, when if Judge Newell enters the order provided for in the statutes the January term of the Court may be held on the first Monday of that month.

MORMONS DRIVEN OUT.

Citizens of Lewis County Have Forced Missionaries to Leave.

The Mormon Missionaries have been driven out of Lewis county, where they have been holding successful meetings for years.

The work of the Elders progressed very satisfactorily until they began to give their secret instructions to their converts and to claim that they had power to work miracles. James Messer, one of the converts, tried to turn water into wine, without success.

The people broke up the meetings at a number of places, and the Elders have packed their traps and gone.

"OLD GLORY."

This Benefit Entertainment Will No Doubt Be Well Patronized.

Much interest is being manifested in regard to the forthcoming production of the new comedy-drama, "Old Glory," which is now being rehearsed by Miss Edythe DeWitt.

The characters are all well taken by the best of our amateur talent, and each one in the cast is in raptures over her respective part.

"Old Glory" is purely an American comedy-drama in five acts with a fond of sparkling wit and original humor. The plot is intense in dramatic action, rising to climaxes of most natural power. Instead of the long waits between acts, entertaining specialties will be introduced, such as "The Miss Liberty Drill."

"The Dance of the Typists," and Miss DeWitt's entertaining fancy and waltz and dance.

Now, remember that these entertainments are to be given under the auspices of the Washington Fire Company Thursday and Friday, April 6th and 7th.

The cause is a most deserving one and you should make arrangements to attend.

Tickets will be on sale Wednesday, April 5th.

There are more Catholics in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment pronounced it incurable. Science has proven that it is a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It takes internally in doses from ten drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address, F. J. PLOTSAM-JETSAM-LIGAN!

LENS NOTES FROM NATURE'S GREAT HIGHWAY.

The Urania passed up last night for Pomory.

The Virginia is the packet for Pittsburgh tonight.

The W. F. Nisbet will pass up tonight for Pomory.

The river is falling all above here, and is going down slowly at this point.

The Keystone State on her trip down Wednesday did the heaviest work business of the season.

The steamer Hornet, Dave Wood, Gate City, Hornet and Crown Hill passed up with tons of empties.

There are several million feet of lumber on the banks of the Lower Mississippi awaiting shipment, which cannot be moved on account of the high water.

The sinking of the steamer Howqua Lee, at Carruthersville, Mo., was a fruitful source of discussion. The rivermen generally regretted the greatly exaggerated and inflated reports the papers printed about the distressing accident. Nobody believes that the boat's boilers exploded. One prominent authority here gave it as his opinion that the boat, in backing out of an eddy after landing, came ahead too fast, and, as was the swift current, took a dive and broke in two. The Howqua Lee was a boat something like the Lizzie Bay or Stager.

The City of Pittsburgh, which passed here yesterday morning for New Orleans, was built expressly for speed at Marietta and has three Scotch marine boilers, the same as used on ocean and lake vessels. They are 100 inches in diameter by 14 feet 6 inches long, with two furnace flues of 48 inches in diameter and 90 3/4 inch return flues constructed of marine 60,000 tensile strength steel. She has two high pressure engines 26 1/2 inches in diameter and 18-foot stroke. The new boat has been in months in building. It is 300 feet long, 45 feet 6 inches beam, 29 feet 6 inches wide and 6-foot hold. Her wheels are 32 feet in diameter, with 14 feet 6 inches stroke. She has a full length cabin with promenade garage, 60 staterooms in main cabin, 12 on the intermediate deck, 22 in Texas and a total number of berths of 228. She has an observation room in the Texas, with all the modern adjuncts. Her cabin is a picture of loveliness. She is completely illuminated with electric lights, steam heated, with sumptuous bathrooms, with hot and cold water. There is not a stove on the boat. Her chief officers are: Captain John M. Phillips; Captain Dana Scott, Alan Vowles and O. D. Phillips, clerks; William Simpson and Morris Hoffman, mates; William Bollinger and William Garrison, stewards, and Sardin Kinard and Edward Leroy, engineers.

As the season of the year when pneumonia, la grippe, sore throat, coughs, colds, catarrhs, bronchitis and lung troubles are to be regarded against nothing "is a fine substitute," will "answer the purpose," or "is just as good" as One Minute Cough Cure. That is the one infallible remedy for all lung, throat or bronchial troubles. Insist vigorously upon having it or "something else" is offered you. Henry W. Hay, adjoining Postoffice.

LA GRIPPE

FOLEY'S HONEY AND TAR cures LA GRIPPE and prevents PNEUMONIA.

IT HEALS THE LUNGS AND STOPS THE RACKING COUGH USUAL TO LA GRIPPE.

RECOMMENDED FOR LA GRIPPE. N. JACKSON, Danville, Ill., writes: "My daughter had a severe attack of La Grippe seven years ago and since then when she takes cold a terrible cough settles on her lungs. We tried a great many remedies without giving relief. She tried Foley's Honey and Tar and it gave immediate relief. One bottle cured her cough entirely. Now we are never without a bottle of this wonderful Cough Medicine in the house."

IT IS GUARANTEED.
